Volunteers needed!

Before COVID reared its ugly head we used to have a cleaning rota. This fell by the wayside and since then cleaning has been done by a few of us on an ad hoc basis. At the Church Council last Wednesday it was suggested that we set one up again. There will be a sheet at the back of church for willing volunteers to sign if they are prepared to join this rota. As long as enough people sign up, it shouldn't be an arduous task. We used to clean a couple of times a month.

Replacement Batteries now available at the library stand

Replacement hearing aid batteries are now available from the Library Stand in the Market Hall on Mondays, 09.30-12.30, 13.30 - 16.30. It is only a battery replacement service, for anything else you still have to go elsewhere.
